There were some very good seminars to attend. **Noon Garland Exchange** had eight members attending and I believe all enjoyed the convention. It was the consensus of the attendees that the "100 Mile Rule" be changes to a "10 Mile Rule", therefore my "fingers" are tied. Make plans to attend the **87th Annual Convention in Salt Lake City, Utah!**

The **Hospitality Suite** was the talk of the convention! A great big **THANK YOU** to all who worked so hard to make it a great success.
