The Youth of the Year and A.C.E. awards were presented at lunch. The guest speaker for the lunch was Dr. James Anderson, Chancellor CTC. We enjoyed a successful day of meetings and break-out sessions, and that evening **Celia Conrad** was Installed as **District President** by Amy Swain, NEC Rep. Our condolences and prayers go to **Raymon Dyer** who lost his mother a few weeks ago.

Dear Fellow Exchangesites,

As I look over the past year, I cannot believe the year is almost over. It has been a joy to serve as your President. At the beginning of the year, I made several goals. Most of them we accomplished. We could not have done this without the help of ALL the club members. I want to say a big Thank you to my board who worked very hard to make this year a big success. I know next year will be an even BIGGER success. The board for next year is great. I look forward to continuing to serve with the best service club there is. Next year we will have the distinct privilege of having the National President and the District President who are our very own members. Last year my theme was T.E.A.M. - Together Everyone Achieves More and we did just that.

Unity For Service,
Michael Gothard

In Memoriam

Ronald Reagan 1911 – 2004

Why should we be frightened? No people who have ever lived on this earth have fought harder, paid a higher price for freedom, or done more to advance the dignity of man than the living Americans, those Americans living in this land today.

-- Ronald Reagan
