Accepting the divine privilege
of single and collective responsibility
as life's noblest gift,
I covenant with m fellow Exchangites:

To consecrate my best energies to the uplifting of
social, religious,
Political and business ideals;

To discharge the debt I owe
To those of high and low estate
Who have served and sacrificed
That the heritage of American citizenship
Might be mine;

To honor and respect the law,
To serve my fellow men, and
To uphold the ideals
And institutions of my country;

To implant the life-giving,
Society-building spirit of service and comradeship
In my social and business relationships;

To serve in unity
With those seeking better conditions,
Better understandings, and
Greater opportunities for all.

A.C.E Awards for 2005-06

May 3rd we honored two students with the A.C.E. Award and a \$1000 scholarship for their continued studies. The students honored are Candy Morales and Steven Camarello. Both will graduated from the Garland Evening School on May 18th. We applaud their determination on completing their formal public education and wish them the very best as they continue their studies.

**The speaker for the
May 3rd meeting was
Bill Dunn.**

Bill is President of the Downtown Garland Business Association.

Bill presented a very interesting talk about the improvements going on in the downtown area of Garland. The downtown area includes much more than just the downtown square. The association has a close working relationship with the Garland City Council and other redevelopment organizations to make Garland more appealing to both residents and visitors alike. DART has been a big asset to the area and the building of the community college annex will create a lot of new interest.
