

October Fire & Crime Prevention Month

Fire Marshall Kent Duke spoke to a dedicated group of Noon Exchangites on October 5th. The members learned about fire prevention and fire codes. Also the main cause of home fires – that would be kitchen fires. We also learned of need for working fire and carbon monoxide detectors. October is Fire and Crime Prevention so let's all of us be doubly virulent for family, friends and ourselves and also strangers we meet along the way.

Going to Iraq

Don's SUV is loaded with boxes of "stuff" to be sent to Justin Owens in Iraq. Most of the boxes are a result of a drive conducted by Dana Ruppert with the YMCA. We gave her an appropriate "Thank You" at September 28th's meeting by singing a special version of YMCA Written by Jeff Muessig. Don and Jerry are contemplating as to how much it will cost to send all these boxes – no matter – they are needed by the troops.

Thank you to Everyone for pitching in.

National Day of Service October 22nd

Sign up sheets are going around for workers for the cookout at Jonathan's Place. JP is home to abused and neglected children. They need a little ray of hope and happiness. So folks let's step up to the plate and help, as only we know how. – **Giving Our All**

November 2nd

We will be planning the Children's Christmas Party and working on other programs to take place.

Non-Perishable Food Stuffs

While we are on the subject of needs – the hurricane victims still have many needs. We are helping by collecting non-perishable foodstuffs for the food banks. So pick up some extra when you go grocery shopping and bring it to Exchange with you on Wednesday.
