Trivia Question

Of all the Member Spotlight questionnaires that were turned in – eighteen – how many wished they had learned to play the piano?

Member Spotlight Debby Thomas

Debby Thomas is a person who wears more than one hat. When she first joined Exchange in 2004 I thought that she was in the travel business. Come to find out she is also in real estate. So if you want to travel to buy real estate Debby's your girl. Above Debby is pictured with a very happy Randy Caldwell from Allstate Insurance. Randy won the raffle prize at the Golf Tournament that was donated by Debby's Travel Service.

Debby has not been a member for a real long time but she has really made a difference. She jumped in with both feet and has been instrumental in making a number of events and projects happen. Thank you for your help and hard work.

This gal is a walking “Honors” person. She graduated with honors from Richardson High School and Magna Cum Laude from North Texas State University. Debby knows French and Spanish and has been employed by a couple of airlines and in other Executive positions. Now she has her own travel business.

Debby's greatest honor was to receive the “President's Award” from Muse Air Lines.

She would like to meet President Bush and Oprah Winfrey.

The “Best Book “ read was *Seeds of Success* and *Hillary Clinton* was the last book read and for movies she likes Harry Potter and the Wedding Crashers. Her favorite children's book is *The Lion King*. Debby's favorite flower is the rose and favorite season is summer.
