What We Enjoyed

September 20th - -

Chris Mawker from Mawker Coffee Company. Chris had some very interesting information to share with the group about the different coffees of the world. He brought three kinds of coffees for the group to sample. They were from Zimbabwe, San Salvador and Costa Rico. Jerry – a non-coffee drinker- Fixed his up with plenty of sugar and creamer and seemed to enjoy his sample.

Also at this meeting Ralph Pinnock presented information about his company in the \$5 for 5 minutes segment. He gave out information on City Wide Maintenance of Dallas. They make sure you are happy with your maintenance contractors. This is for commercial businesses.

At the Mid Winter Conference

The challenge is to achieve a higher membership growth from September 1st thru November 30th than the Texas-Louisiana Gulf District. We already have two at Noon Garland and other clubs are also increasing their membership.

Mid-Winter Conference will be February 9 & 10 at the Sheraton Gunter Hotel in San Antonio. The Conference and Convention Committee is working on having a great line up speakers and presenters along with loads of fun.

To Keep You Better Informed More Will Follow

On September 30th Marcela Minahan will participate in the Juvenile Diabetes Research Foundation Walk to Cure Diabetes. She is asking for our support because now more than ever, EACH of us can be a part of bringing about a cure. Each of us can make a real difference. To help go to - -
